Six States To Be Represented in Legion's Second Annual Outstanding Event

CAROLINA MOONBEAM WITH JANE WHITE, FULTON, UP

It's coming.....next week..... August 5.....the biggest, the best, the most outstanding event so far this year..... its the Second Annual Kentucky-Tennessee Horse Show to be staged at Fairfield Park by the American Legion and assisting groups. Sterling means the best in silver, blue-white means perfection in diamonds, Swiss movement means split-second accuracy in watches, but White and Company (Charles Gregory, Russell Pitchford, James Warren, et al) means perfection and showmanship when it comes to staging a horse show. This year's event promises to surpass the most successful occasions of past years and indications point to the fact that more than 75 entrants will prance and canter before the judges to take the handsome trophies and lucrative prizes being offered.

Many are the added attractions this year. Foremost is the Hammond organ that will grace the centerpiece of the ring with Jimmy Richardson at the console. Richardson is renowned as a "horse show organist" and has perfected the instrument to such an extent that tunes can be played that beautifully harmonize with each class in the ring. "They say"..... that horses turn to Jimmy for a tune-up before strutting before the judges. (Only hear-say.....the ed.)

At press time on Thursday entries had been received from six states and with Bob White and his pretty cohort, daughter Jane, keeping the phone wires busy for personal invitations to prominent horse owners, indications are that there may be 100 horses to vie for the many prizes.

Responsible for the efficient arrangements are the following: Bob White, general chairman; Charles Gregory, assistant chairman; of all committees. Russell Pitchford secretary and Charles Gregory will serve as ring master. Elvis Myrick has been placed in charge of advertising.

Ticket sales will be handled by Smith Atkins and R. O. Williams, in charge of box seats; C. H. McDaniel, in charge of advance reserve seats; Walter Voelpel, Homer Weatherspoon and Tolbert Dallas, in charge of the bleachers; and Charles Looney in charge of the grandstand.

Ticket takers will be Paris Campbell, Alva Owens and Earl Taylor, Sr., at the grandstand; Hunter Whitesell and Jack Speight at the vehicle gate; Herman Easley, Kenneth Warner and Hafford Mildsted at the bleachers; Pete Roberts, Thomas Exum, Russ Anderson, Edward Campbell, Frank Hodges and Charles Browder at the ring boxes; and Charles R. Bennett, Leon Hutchens, Joe McAlister and Johnson Hill at the main gate.

Joe Treas, Ivan Jones, Jr., and Robert Fowles have been placed on the exhibit certifying committee. Harry Lee "Buck" Bushart will be at the entering gate at the ring with Russell Johnson at the exit gate.

Other committees include the chair committee, composed of Ira Cloys, Louis Cardwell, James Warren, Gilbert Bowlin, Paul M. Bennett, James McKinney, E. W. Younger, Harold Hewitt, Glynn Bard, Robert Hewitt, Finis Sackling, James Fortner, James Tuck, Frank Barber, Carlos Jackson, J. D. King, Stanley Jones, Elmer McNatt, Neil McAlister, Jack Cooper, Billie Ayers and Bill Hainline.

Jeep committee—H. P. Allen, Wick Smith, Neal Looney, Joe Treas, C. H. McDaniel, Mac Ryan, William Scott, E. E. Williamson, Harold Mullins and Eugene Howard.

Concessions—Frank Wiggins, James Meachams, John Willey, Leroy Latta, How Wood, Edgar Drysdale, Jack Maddox, Bobby Lowe, James Finley and Guy Frye.

Car parking—Milton Callihan, Bill Morris, Jones Gambill, Allen Austin, Hassell Williams and Ernest Jenkins.

Grounds—Raymond Stallins, H. P. Allen, Clyde Fields, Charles Browder, Neal Looney, J. D. Simpson, Robert Batts, Harry Bloodworth, Kelley Jones, W. O. Greer, William L. Jolley, Jr., Milford Jobe, Sergeant Nicholson and Sergeant Avalon.

For Women Only...It Had to Be...Truth Revealed At Woman's Club Breakfast

For Women only! And it's a good thing that it was, for if the male contingent could have been on hand to see the collective array of feminine "pulchritude" at the Woman's Club yesterday morning there would be a mass exodus to no woman's land. It was a riot of fun and good sportsmanship.

The occasion was the come-as-you-are breakfast hatched in the fertile mind of the board of directors of the Woman's Club to raise a few dollars for the club treasury and a look-see into the private lives of the local members, whose beauty was deep in the heart, for without midday's compact beauty is only in the soul.

They came as they were..... Margaret Hall in Joe's not too new dressing robe, complete with rip under the sleeve and would you believe that lovely lady plait her hair for comfortable sleeping..... she does because the plaits were hanging and she had to pay a quarter to push them back..... Elizabeth McDade wore a stunning

creation of pin-stripe seersucker pajamas with a dainty little chintz robe..... and Mrs. Joe Davis in a flowing house-coat..... as was Nell Greengrass..... Mrs. J. E. Campbell was there in shorts..... but Louise Killbrew went her one better and came in shorts..... and barefooted..... and in the barefooted department was Mrs. Roger Winstead clad in pajamas..... and that eager little Mrs. E. C. Grisham was whisked to the party..... and she kept right on whisking because she came fortified with her broom. There were ladies with babes in arms and hair rolled in towels..... probably caught right in the middle of washing their beautiful tresses.

It was not all bad, though. There were the eager beavers like Mary Nell Wright, Mrs. J. E. Fall, Sr. and stunning daughter Susie Binford of New Orleans, Ruby McDade, Gladys Moore, Hazel Scruggs and others who probably were awake a long time before curtain call so that they wouldn't be caught napping..... or should we say..... scrapping the clothes heap.

Ladies responsible for the delightful get-together were members of the hospitality committee.

Leon Evans has been admitted to Jones Hospital.

HELLO WORLD

Mr. and Mrs. Russell Cruce announce the birth of a seven pound 13 ounce son born July 26 at the Fulton Hospital.

Mr. and Mrs. Cleatus Murray Wingo, are the parents of a seven pound eleven ounce son born July 26 at the Fulton Hospital.

VA STAYS OPEN FOR INSURANCE AID TO VETERANS

All Veterans Administration Contact Officers in Kentucky will be open from 9:00 A.M. to 6:00 P.M., Saturday, July 31, to assist veterans with the reinstatement of their GI insurance. It was announced today by H. W. Farmer, Manager, VA's Regional Office, Louisville.

July 31 is the last day for easy reinstatement of GI insurance that has lapsed more than three months. Under liberal provisions, veterans can reinstate their insurance at a cost of two monthly premiums, providing their health is as good as when their insurance lapsed.

Mr. Farmer pointed out that veterans may reinstate any amount from \$1,000 to \$10,000 in any of the seven plans of insurance now available, which includes term insurance as well as six permanent plans.

BARKLEY IS FINE SENATOR TO MOST FOLKS; HE'S HALF-HAMMER JUMPER TO T. HOWELL

To most folks around the country, Alben Barkley is a fine man and an able Senator, but as far as Tom Howell out on Route 1 is concerned, he is not only all of the above, but also the best half-hammer jumper and the toughest wrestler that he ever knew as a young man.

"He could really jump" says Mr. Howell, "Why when we (my brother and I) thought we were doing well at six feet, here'd come Alben and jump 8 or 10 feet. And wrestler..... as fast as my brother Elzer and I got up, Alben would throw us down. "Alben, my brother Elzer (now Dr. Howell) and I used to play together out at old Uncle George Howell's farm two miles north of Clinton when we were 16 years old. (Ed's note: 1894). Alben lived in Clinton at that time and was going to school at Marvin College, where the hotel now stands. His father was a railroad section foreman.

"He graduated from Marvin College and went away some where, but when he came back and started running for office, I voted for him every time. He's the finest man I ever knew."

Mr. Howell, who is 71 this month, recalled that Alben is just four months younger than him, which will make Barkley's 71st birthday in November.

Mr. and Mrs. Abe Thompson and children, John M. and Gertrude of Paducah spent Sunday with his parents, Mr. and Mrs. John Thompson and Mrs. Lela Pegram.

TOMORROW LAST DAY TO RE-NEW DRIVER'S PERMIT

Kentucky drivers are reminded that midnight July 31 is the deadline for renewing motor vehicle operator licenses at the local Circuit Court Clerk's Office. Robert A. Thompson, Director of Local Relations, Department of Revenue, said, "I urge all drivers to get their licenses this week to avoid penalties for driving after August 1 without valid licenses." He also said, "It is the desire of the Department to make the job of renewing drivers' licenses as convenient as possible. Many drivers may find it convenient to either send their old licenses, together with one dollar, to the Circuit Court Clerk's Office by another person or by mail. If application is made by mail, a 3c stamp, as well as the old license, must be sent to the clerk." Licenses may be secured in Fulton from Miss Martha Smith, City Clerk at the City Hall.

Bud Stanley who has been ill in the Jones Clinic for several days will undergo an operation for gall bladder Tuesday of this week.

Mr. and Mrs. Boots Garner are preparing to move to their new home in Dresden in the near future.

Brother Silas Griffith, the son of Jess Griffith of Delight, Ark., but formerly of this community, will preach at the Bible Union Church of Christ next Sunday afternoon at 3 o'clock. You are invited.

We're real sorry to hear that Mrs. Ida Grissom, the mother of Mrs. Claude Nelson, fell Saturday night and broke her leg. She was carried to Fuller Gilchrist Hospital in Mayfield by the Jackson Brothers. She will be there for some time.

On the second Sunday morning at 11 o'clock Bro. Anderson from Illinois will begin a meeting at Bible Union Church of Christ to continue for a week. This is a new preacher to most of us but he is a good speaker. The public is invited to attend the services which will be at three in the afternoon and at eight in the evening. Bro. Parrott from Dresden will be in charge of the singing.

Red Stafford is adding a new lunch room to his store which will be opened at an early date. Miss Robbie Jane Carney has been ill for the past week with bronchitis.

liams, Mrs. Hershel Floyd and Jana Floyd.

Mrs. Ruth Weems and Mrs. Tennie House visited their sister Mrs. Tie Finley Saturday afternoon.

Mr. and Mrs. Jim Raines attended the funeral of Mrs. Raines uncle, Willie Wilson in Martin, Tenn., Sunday afternoon.

Mrs. Lela Bushart and Ward

are visiting Mr. and Mrs. Ed Mount, her parents and Mr. and Mrs. Neal Bushart.

Mr. and Mrs. Joe McPhearsen and Mr. and Mrs. B. G. Lowry, Jimmie Lowry and Dennis LaRose attended church at Cuba, Sunday evening.

Miss Jean Austin and Miss Helen Crittendon visited Miss Mary Nell Morris Monday afternoon.

"I Am The Newspaper"

Every now and then we pause and shudder when we think of the great responsibility that is ours as publishers of your newspaper. Like the doctor who lives by his Hippocratic Oath, the nurse by her Florence Nightingale creed, and the pious by the Golden Rule, we in the newspaper field are guided by a creed, whose author is unknown to us, but whose teachings are a daily reminder of the mighty weapon we hold in our hands.

When it becomes necessary to take inventory of our stewardship we go back and read that beautiful tribute to the Fourth Estate, entitled "I am the Newspaper." Maybe we're wrong we tell ourselves. Maybe we should be rabble-rousers. Maybe we should be "against the people and for the public." But then we read the lines printed below and we are reassured. It says nothing there about people being apple-polishers because they do not agree with us. It says nothing about sitting at the typewriter with a spleen full of venom to condemn, castigate, stigmatize and trounce our fellowman. It says we drink from your cup of joy and sorrow. It says we are the inspiration of the hopeless, the champion of the oppressed, it says it says many things and we are printing it for you to read and keep so that you can feel what we feel whenever this little newspaper reaches your home on Friday morning.

"I am the Newspaper"

"Born of the deep need of a nation I am the Voice of Now the incarnate spirit of the Times Monarch of Things that are. My 'cold type' burns with the fire-blood of human action. I am fed by arteries of wire that girdle the earth. I drink from the cup of every joy and sorrow. I know no death, yet am born again with every morn with every noon with every twilight. I leap into fresh beginning with every new world's event.

"Those who created me cease to be the brains and heart's blood that nourish me go the way of human dissolution. Yet I live on and on. I am majestic in my strength sublime in my power terrible in my potentialities yet as democratic as the ragged boy who sells me for a penny.

"I am the Consort of Kings the Partner of Capital the Brother of Toil. The Inspiration of the hopeless the right-arm of the Needy the Champion of the oppressed the Conscience of the Criminal. I am the epitome of the World's comedy and tragedy. My responsibility is Infinite. I speak and the world stops to listen. I say the word, and battle flames the horizon. I counsel peace, and the war lords obey. I am greater than any individual more powerful than any group. I am the dynamic force of public opinion. Rightly directed, I am the Creator of Confidence. A builder of happiness and living. I am the backbone of Commerce. The trail-blazer of prosperity. I am the teacher of patriotism. I am the hands of the clock of time the clarion voice of civilization. I am the Newspaper."

The Tourist Trade Is Important To Us.

We have, on several occasions, estimated the tourist business as a million-dollar-a-year income producer for Fulton and suburban area and we shall try always to stay on our toes to drive home to Fulton firms the importance of catering to this big business.

According to the American Automobile Association, which certainly should know from experience, each tourist car spends an average of \$18 a day while on the road. This is broken down by the AAA into around 25% for gas and oil and the other 75% for food and lodging.

Tourists look for cleanliness, courtesy convenience and modern settings when they stop for a service, and firms who desire a slice of this business must conform to the standard.

We think that the residents of Fulton should be proud of the fact that the two tourist courts and one restaurant (Smith's) are all AAA-recommended; that the Fulton Motor Court has received the highly-desirable Duncan Hines approval, and that Smith's in addition, has been classed a Grade "A" restaurant by the State and County, and is the only restaurant to receive this top-notch standing in the county. Fulton does have a good start toward offering tourists a pleasant opportunity to spend that daily \$13.50-per-car-per-day chunk for food and lodging.

Another indication of the volume of travel is the fact that there is at least ONE service station here (we won't mention names) that pumps out more gasoline than any other station in all west Kentucky, including Paducah.

We have been following the progress of the Motor Court business here with much interest, particularly our newest and largest addition, the Fulton Motor Courts on highway 61.

During a recent, and average, week, the Fulton Motor Court was host to residents of 22 states, the District of Columbia and Porto Rico for overnight stops. A breakdown of the registration slips for this week showed that:

Illinois led all other states with 21 cars, followed closely by Tennessee with 20, Kentucky with 13, Indiana 11 and Louisiana, 10.

Other states represented included Wisconsin, 3 cars, New York 4, Michigan 5, Arkansas 3, Florida 5, Mississippi 4, Missouri 3, Washington 1, Minnesota 1, Ohio 3, Ala-

A PRAYER FOR INNER STRENGTH

I KNOW somehow that time will heal this sorrow. This bitter grief, and that the years will bring forgiveness and peace, that some tomorrow I will hold no memory of my suffering. And I believe that there still will be a blurring Of the jagged edges of the wounds I bear, And in my heart again will be the stirring Of laughter that has long been absent there.

Grace Nell Crowell

bama 5, California 3, Oklahoma 1, Puerto Rico 1, Pennsylvania 2, Texas 3, Connecticut 1 and one from Georgia.

Besides being at the intersection of three National and two State highways, Fulton is a logical stopping point for the tourist five hours out of St. Louis, three out of Memphis and Nashville with no major cities in between.

We submit that any who properly cater to this trade here in Fulton will do well.

BEEF CATTLE ON A GOOD LADINO CLOVER PASTURE May 3, 1948. This pasture will produce 500 pounds of beef per acre annually.

Ladino is a perennial (giant white) clover that was brought into Fulton County, Kentucky in 1939. It has proved its value to local farmers for ten seasons

to the extent that there are now more than 12,000 acres in Fulton County and many thousands of acres have been seeded in Kentucky and other states from seed

produced in this section. This clover has been grown primarily as a pasture crop but produces a high yield of good quality legume hay and seed.

**DADE PARK RACING
OPENS ON AUGUST 7**

The Dade Park Jockey Club is mapping final plans for the 26-day racing meet scheduled to get under way at the Western Kentucky racing plant located midway between Henderson, Ky. and Evansville, Ind. The summer session will open Saturday, August 7 and will close with a Labor Day Program, Monday, September 6.

James C. Ellis, president and general manager, has announced that the minimum purse this summer will be \$900, with one or two \$1,000 purses being offered each day. There will be five handicaps carrying purses of \$1,500 and one—the Governor's handicap—for \$1,800.

Applications for stalls are being received daily and with the closing of the track at Omaha after a successful meeting a large number of thoroughbreds will be shipped direct to Dade Park to start workouts on the Kentucky turf. Others will move on to River Downs and Chicago for a few weeks of active racing before being shipped to Dade.

Mrs. McLeod

Says...

From The Home Demonstration Agent From Fulton Co.

Fulton County Homemakers with Miss Venice Lovelady, home furnishing specialist from the University of Kentucky made final plans for the major project for the coming year.

The program as worked out will be of interest to every homemaker in the county. In addition to refurnishing furniture of woods that will lend themselves to natural finishes, lessons will be given on painting and re-decorating furniture of other woods, refinishing and re-seating chairs, refinishing and painting picture frames, wastebaskets.

trays kitchen chairs, stools etc., something to help every homemaker make her home more livable and attractive.

The planning committee composed of the following: Mrs. Roy D. Taylor, county president, Mrs. Harold Copeland, county home-furnishing leader, Mrs. Claud Middleton and Mrs. Harvey Bondurant, community leaders, Mrs. J. C. Lawson, a member of the year book committee and Mrs. W. D. McLeod home demonstration agent, met Miss Lovelady July 9 in the basement of the Cayce Methodist church to work out details of the six major lessons to be given by the specialist.

Plans were also made for window exhibits next Spring of re-finished furniture, rugs and slip covered furniture.

Those who are working on rugs and those who have not made their slipcovers will have an opportunity to show them at that time.

Child care planning committee composed of Mrs. Billy McGehee, Mrs. Robert Thompson, Mrs. John Watts, and Mrs. W. D. McLeod home demonstration agent met with Miss Florence Inlay, specialist in foods and childcare, from the University of Kentucky on July 12 to set up the program for the coming year.

There will be two groups first the beginners with day time meetings will have three lessons (1) habit formation, (2) activity and equipment that will help develop good habits (3) discipline. The second group is composed of both parents who have finished two series of lessons. This group meets at night and will study (1) books, magazines, movies and reading for children, (2) standards of health and (3) good food habits.

I am answering the letters by dates so as to get the first ones in, out first and so on.

Miss Latane:

I am engaged to be married but I want to know when? Will I move to another town and would any move be wise? Will I be happy? How many children will I have and how soon?

A. M. L.

My Dear A. M. L.

You will not marry any time soon, it will be quite a while. No, you will not move. You will have three children. Take inventory of your letter, didn't you misrepresent yourself.

Dear Miss Latane;

I wrote you once before and you answered my questions so successfully I'm going to write again. First I want to know is my husband's new job going to prove successful to us? Will it require him being away from home too much? Will he be away when our baby is born? Will our financial troubles will start ironing themselves out after the birth of your child? Yes, your husband's health will improve. Your mother's health is the same has it been for a number of years. Yes, you will remain in Fulton for some time yet before moving to Paducah.

RUPTURE

Expert Coming
To Mayfield Again
GEO. L. HOWE

Well-known expert, of Indianapolis, and ex-U. S. Army Medical Corpsman, will personally demonstrate his method without charge at the Hall Hotel, Mayfield, Thursday, Aug. 5th from 1 P.M. to 6 P.M.

Mr. Howe says the Howe method contracts the openings in remarkably short time on the average case, regardless of the size or location of the rupture, and no matter how much you lift or strain, and puts you back to work the same day as efficient as before you were ruptured.

The Howe Rupture Shield has no leg strap; waterproof, sanitary, practically indestructible, and can be worn while bathing. Each shield is skillfully molded and fitted to the parts under heat, which gives a perfect fit and satisfaction.

Large and difficult ruptures following operations especially solicited.

Do not overlook this opportunity if you want gratifying results. Mailing address P. O. Box 5233 E. Michigan St. Station, Indianapolis 1, Ind.

The President of The United States

has called Congress back to Washington for a special session, which suddenly takes me out of my campaign for reelection in the closing days—the most important days in any campaign.

Since my return to the District, I have been busily engaged each day in an effort to personally see as many of the Democrats as possible in the interest of my candidacy, but now that these efforts must be discontinued, I must rely upon and earnestly urge my friends to carry on for me in these closing days, seeing that my interests are protected.

There is no substitute for experience whether it be as lawyer, farmer, doctor, carpenter or congressman. I feel that my experience in this position better qualifies me for future service than I have heretofore been. Probably now, more than ever before, qualified and experienced men are needed in the Halls of Congress to handle the complex and difficult problems of government now facing our nation.

If you feel that my experience better qualifies me, that my private and public record merits your confidence, that I have tried at all times to represent you intelligently and diligently, I earnestly ask that you help me in the August 7th primary with your vote and a good word in my behalf to your friends.

I make to you the only promise that any honest public servant can make with the definite assurance that the promise will be kept. That promise is that in the future as in the past, I will put forth every effort of mind and body to the end that the best interests of the greatest number of people are served in a common sense manner.

Sincerely,

Noble J. Gregory

SPOTTED FEVER REPORTED FROM TICK MENACE

One death and four cases of Rocky Mountain Spotted Fever recently reported in Kentucky have centered interest in this disease which is of growing concern to public health authorities here. It has been reported from 54 counties scattered throughout the state, so that no section is safe from it. However, the greatest number of cases have been reported from the North Central section, bound roughly by Louisville, Covington, Flemingsburg and Bardstown.

Last year in Kentucky 31 cases and 7 deaths from Rocky Mountain Spotted Fever were reported. There has been an increase in the actual number of cases reported in the State each year since 1934 when the first cases were reported here. The disease becomes prevalent during the "tick season"—May, June, July and August. In the fourteen years since the disease was first recognized in the State, 138 cases with 39 deaths have been reported to the State Health Department.

If one goes into the woods or deep weeds which are tick infested, it is quite impossible to avoid picking them up on outside clothing. They soon crawl up loose pant legs and cuffs. However, the ticks do not always bite as soon as they get on a person. In fact, sometimes they may spend several harmless hours on a man. If, as soon as a person comes in from the outside, his clothing is taken off and his body carefully examined, it is often possible to catch the tick before it bites. The longer the tick is attached to the human body the greater the risk of spotted fever. Ordinarily if the tick is attached less than 4 hours there is little danger; however, if it remains attached 8 hours the possibility of getting the disease is greatly increased. It is best to strip off outdoor clothing in the empty bath tub, as such clothing tossed on the bed or chair might give the tick a safe hiding place in the house.

In Kentucky, any tick that will bite a person can carry Rocky Mountain Spotted fever. There are two species to be found here—namely the common Wood Tick which is the most prevalent, and the Lone Star Tick which is found occasionally.

A person, such as a lineman or woodman, obliged to work in a tick infested area, should pro-

tect himself by going to a physician for vaccination against this disease.

STATE LAUNCHES PROJECTS TO AID FARM PRODUCTION

Two projects designed to help stabilize agriculture production and income in Kentucky, and to provide a thorough analysis of market supplies and facilities have been launched under supervision of Commissioner of Agriculture Harry F. Walters and Director of Markets J. Dan Baldwin.

The projects, which got under way last Thursday, will cost \$30,000 half of which will be financed with federal matching funds supplied by the Hope-Flannagan Agricultural Act.

Purpose of the first project—that of increasing marketing efficiency through development and dissemination of special market information on the supply, demand, location, transportation and price of agricultural commodities—has as its main object to help stabilize agricultural production and income in Kentucky.

The second calls for obtaining and analyzing of new basic data pertaining to market supplies, facilities, movement and prices to aid in improving distribution methods and the expansion of market outlets for Kentucky farm products.

The latter goal was one specifically advocated and promised to Kentucky farmers by Gov. Earle C. Clements when a candidate for Governor in 1947, and reiterated by Commissioner Walters as a prime aim of the administration.

The objective of the latter program is to "make available to those engaged in developing more efficiency marketing systems in Kentucky and to the public the basic data on supplies, utilization, facilities and other pertinent information so that a definite long-time marketing program can be developed."

The first project calls for installation of a Market News Service with dissemination of daily news concerning market trends, supplies, location, transportation facilities and prices furnished by the Department of Agriculture.

Vocational Agriculture teachers will co-operate in assembling market information on various agricultural commodities at local points throughout the state, through co-operation with the Department of Education's Division of Vocational Education.

The Market News Service will install a teletype machine which will give terminal markets on fruits, vegetables, dairy and poultry products.

The Division plans to assemble prices on livestock, various auction markets, fruits and vegetables, dairy products and other commodities at strategic points throughout the State.

Commissioner Walters, as Chairman of the Agricultural Production and Marketing Commission, (soon to be appointed by the Governor) has authority to gather data on agricultural matters from any other agency of government or private sources.

I believe the true road to pre-eminent success in any line is to make yourself master of that line.—Andrew Carnegie.

The devotion of thought to an honest achievement makes the achievement possible.—Mary Eddy.

The most important thing for a young man is to establish a credit—a reputation, character.—John D. Rockefeller.

What men want is not talent, it is purpose; in other words, not the power to achieve, but will to labor.—Bulwer-Lytton.

Summer's New Look from the cotton fields

Yes, aren't they? Mother and daughter—and their new dresses of cotton from the fields of the South... made from cotton that has moved via Illinois Central from fields to gins, to textile mills, to dress manufacturers, to you. Last year Illinois Central handled nearly 800,000 tons of cotton to help provide you and millions of others with everything from overalls to party frocks.

YOUR SHOPPING MADE EASY

Shopping is the great American pastime. Nowhere else in the world will you find so many people shopping as frequently and as freely. Nowhere else will you find so great a quantity and variety of products. The Illinois Central works day and night moving all these things from farm and mine and factory to your community. By doing this job well, the Illinois Central strives to earn the right to your continued friendship and patronage.

Fulton Mo. Co. Is Boys Camp

Last Saturday night, the Motor Court was the scene of a boys' camp. The YMCA boys and their parents from Piqua, Ohio, were making a tour of the county. They were in a fully-built truck, camped every night and doing their own cooking. The boys pitched tents on the lawn of the courts and prepared to over open fires on the courts. Commenting on the subject of the visit, J. E. H. assistant courts manager, "We enjoyed having the boys here. They were happy to offer use of our grounds. We glad to offer the same facilities to any other group. It is a fine nature who are through Fulton looking place to spend the night. The group from Piqua, second YMCA tour from this year to make a fornia trip. According to E. Middlewart, "Y" who accompanied the Piqua "Y" also sponsor Mammoth Cave, the New States and Canada. All of the youngsters group were under 16 age, it was reported.
